### Exchange Incoming students (Erasmus and exchange agreements)

The Institute of training teachers, INSPÉ de l'académie de Versailles, provides education for primary and secondary teacher education as well as for educational administration staff : academic (Master degree) and professional training. It also offers study programs in the field of culture and education.

All courses are taught in French.

" For Erasmus students in their second year of study, limited positions places are offered at Bachelor level in "Licence pluridisciplinaire." [For more information](#)

" About our Erasmus [programs for primary and secondary education students](#)

These programs are open to undergraduate and master students, from their third year of study and with at least a B1 level in French.

The courses take place on different campuses of the School of education except for the French as a second language course on the Cergy campus.
